Rationale of the Charging and Remissions Policy:

Our school aims to:

- The Governing Body recognises the valuable contribution that the wide range of additional activities, including trips, clubs and residential experiences can make towards pupils' education.
- The Governing Body aims to promote and provide such activities both as part of a broad and balanced curriculum for the pupils of the school and as additional optional activities from taking full advantage of these opportunities

Legislation and guidance

This policy is based on advice from the Department for Education (DfE) on [charging for school activities](#) and [the Education Act 1996](#), sections 449 to 462 of which set out the law on charging for school activities in England.

Definitions

- **Charge:** a fee payable for specifically defined activities
- **Remission:** the cancellation of a charge which would normally be payable

Roles and responsibilities

The governing board

The governing board has overall responsibility for approving the charging and remissions policy, but can delegate this to a committee, an individual governor or the headteacher.

The governing board also has overall responsibility for monitoring the implementation of this policy.

Headteachers

The headteacher is responsible for ensuring staff are familiar with the charging and remissions policy, and that it is being applied consistently.

Staff

Staff are responsible for:

- Implementing the charging and remissions policy consistently
- Notifying the headteacher of any specific circumstances which they are unsure about or where they are not certain if the policy applies

The school will provide staff with appropriate training in relation to this policy and its implementation.

Parents

Parents are expected to notify staff or the headteacher of any concerns or queries regarding the charging and remissions policy.

Context

- The law states that education provided during school hours must be free. This definition includes materials, equipment and transport provided in school hours by the Local Authority or the School.
- No pupil may be left out of an activity because their parents cannot or will not make a contribution of any kind.

Aims

- To make school activities accessible to pupils regardless of family income.
- To provide a process which allows activities to take place at a minimum cost to parents pupils and the school and which acknowledges the cost of such activities on the school's budget.

Charges

The governing body reserves the right to make a charge in the following circumstances for activities organised by the school.

Residential Activities

The full cost to each pupil of board and lodging. Parents have the right to claim free activities if they are in receipt of some benefits. Please ask at the office for more details.

Activities outside School Hours

The full cost to each pupil of all approved activities deemed to be optional extras that are not a necessary part of the national curriculum.

Individual Instrumental Tuition

The full cost to the pupil for providing any instrumental tuition if the cost is not an essential part of the national curriculum or examination syllabus.

Remissions

There will be no obligation for any parent to make a voluntary contribution towards the cost of school activities. Pupils will not be treated differently according to whether their parents have made a contribution.

The Governing Body may wish to remit in full or in part the cost of other activities for particular groups of parents, for example, in the case of family hardship. When arranging a chargeable activity such parents will be invited in confidence for the remission of charges in full or in part. The Head Teacher in consultation with the Chair of Governors will make authorisation for such remission.

Voluntary Contributions

Voluntary contributions may be requested from parents to cover the cost of the following activities:

- Entrance Fees
- Travel Costs

General

The Governing Body may from time to time, amend the categories of activity for which a charge may be made.

Nothing in this policy statement precludes the Governing Body from inviting parents to make a voluntary contribution towards the cost of additional activities, which take place in school time.

Parents may be advised that the continuance of an activity (or visit) may depend upon voluntary contributions, but once it has been decided to run such an activity no qualifying child will be excluded on the grounds of voluntary contributions.
