

# THE WEEKLY BULLETIN

## IMPORTANT INFORMATION FOR THE WEEK AHEAD

DATE: FRIDAY 3<sup>RD</sup> JULY 2026

A very happy Friday to you all!

It's been another very busy week at St Rose and the children have, as always, been absolutely fabulous. We hope the year 6 children had a wonderful time at their new schools (and didn't miss us too much) and that the children all enjoyed spending time with their new class teachers in their new classrooms! Yesterday, the children enjoyed a day of Samba drumming, with an energetic assembly and magical workshops. If that weren't enough, England managed to win on Wednesday night, so are now through to the final 16. It's safe to say, Mr Galligan is very excited about this!

Next week, it gets even busier at St Rose in our annual week where the children will burn off more energy than they can consume - Healthy Living and Charity Week! Monday begins with our Healthy Living Carousel Day, where the children come in their own sports kits. Tuesday we have a GB Athlete coming in to school to spend the day with the children. Wednesday it is our annual Charity Day. Thursday it is the EYFS and KS1 Sports Days PLUS our summer fair in the afternoon, and Friday ends with a Bikeability day! Hopefully, this will mean they all sleep well each night, as we endeavour to wear them out for you!

Please remember to give generously for our charity day and the Summer Fair. Most stalls will be priced at 50p - £1, so please bring lots of change so you can support the school. And finally, as the weather looks like it's going to get warmer next week, please remember to put sunscreen on your child before school, make sure they have a sun hat and have a water bottle with them at all times!

## A message from your teachers

Well done, Year 4, on another successful week! We hope you all have a restful weekend. |
| Year 5    | Mrs Hensman, Mrs Edgington & Mrs Finnegan | "This week Year 5 have worked incredibly hard on their assessments this week and should be very proud of the effort they have shown! They also represented themselves brilliantly during their Year 6 transition day, demonstrating that they are ready and raring to go for next September."                                                                                                                                                                                                                                                                            |
| Year 6    | Mr McNamara, Mr Clewer & Mr Lahert        | Well done to all of year 6! This week we have worked extremely hard on practicing our lines for the play. Each child has put in the work and shown if they put their minds to it, they can achieve amazing things. We were also very happy to hear that all the children had a great time at their new schools. Keep up the great work!                                                                                                                                                                                                                                  |

**THE Wednesday WORD** **SHARING SUNDAY'S GOSPEL WITH PARENTS & FAMILIES**

Dear Parents and Carers,

This Sunday we celebrate the Feast of two great saints who have helped to share faith throughout the world, St Peter and St Paul.

In this Sunday's Gospel, Peter professes his faith in Jesus as the Christ, the Son of the living God. Jesus then gives Peter the important task of leading the Church – a duty which is now undertaken by Pope Leo XIV, the current successor of St Peter.

Helping our children to grow in faith, to know and to love God, is one of the greatest gifts we can give them. Faith in God transforms how we see the world and helps us to keep growing in our love for each other too.

Enjoy hearing your child's thoughts about this Sunday's Gospel and this Wednesday's word, which is **FAITH**.

**A Word from the Saints** "Faith is to believe what you do not see; the reward of this faith is to see what you believe." St Augustine of Hippo

**THE GOSPEL IN CHURCH**  
Sunday 28<sup>th</sup> June 2026

When Jesus came to the region of Caesarea Philippi he put this question to his disciples, "Who do you say I am?" Then Simon Peter spoke up, "You are the Christ," he said, "the Son of the living God." Jesus replied, "Simon son of Jonah, you are a happy man! Because it was not flesh and blood that revealed this to you but my Father in heaven. So I now say to you: You are Peter and on this rock I will build my Church. And the gates of the underworld can never hold out against it. I will give you the keys of the kingdom of heaven: whatever you bind on earth shall be considered bound in heaven; whatever you loose on earth shall be considered loosed in heaven."

Adapted from Matthew 16:13-19

# Attendance at St Rose

For your child to make the progress they deserve, they need to be in school.

As a school, this is something we monitor closely and is a high priority for us each academic year. Whilst odd days off may not seem significant, they do impact your child's learning. Unless your child is really poorly, please ensure they are in school and ready to learn. This will give your child the best chance of achieving their full potential.

## ATTENDANCE Why is it so important?

Children are required by law to attend school 190 days per year. The government states that every child's attendance should be at least 95%.

### HOW DO YOU MEASURE UP?

| Attendance | Days<br>Absent | Weeks<br>Absent | Lessons<br>Absent |
|------------|----------------|-----------------|-------------------|
| 95%        | 9 days         | 2 weeks         | 50 lessons        |
| 90%        | 19 days        | 4 weeks         | 100 lessons       |
| 85%        | 29 days        | 6 weeks         | 150 lessons       |
| 80%        | 38 days        | 8 weeks         | 200 lessons       |
| 75%        | 48 days        | 10 weeks        | 250 lessons       |
| 70%        | 57 days        | 11.5 weeks      | 290 lessons       |
| 65%        | 67 days        | 13.5 weeks      | 340 lessons       |

## Every day matters

## Punctuality

Being on time for school is crucial for your child!

If your child is late, this will affect their overall attendance and results in them missing some key tasks that will help them practise skills they have been taught in their lessons.

- Our school day starts at 8.30am.
- The registers are taken at 8.40am.
- Anyone arriving after 8.40am is classed as late.

If your child arrives after this time, they will already have missed some crucial work in the morning.

Please allow sufficient time to get to school so that your child can get the best start to their school day!

## Pupil Wellbeing Conversations

It can feel difficult to know how to start a conversation with a pupil about their wellbeing. Sometimes this is because you don't feel equipped with the information you think you need, or you don't feel confident enough to open up the conversation. This guide shows you what action to take and how to handle a mental health disclosure.

### 1. NURTURE WARM, TRUSTED, KIND RELATIONSHIPS

When pupils have a consistent, emotionally available adult who shows they care and who 'holds them in mind', they thrive. They are also more willing to open up about their wellbeing and seek your support.

### 2. CREATE A SAFE ENVIRONMENT

Provide a classroom environment which is free from belittling and shame-based behaviour management. This will help pupils feel they can share worries, talk about their feelings, know they are listened to and difficulties are acted upon.

### 7. LOOK AFTER YOUR OWN WELLBEING

To be able to help pupils with their wellbeing, the adults around them need to be regulated and calm. It is so important that you know what helps you manage and make time for wellbeing in your life.

### 6. KEEP CALM, EVEN IF YOU'RE WORRIED

In situations where pupils disclose mental health difficulties, keep calm whilst expressing concern for their wellbeing. Reacting with panic will create more alarm and raise a pupil's level of anxiety.

### 5. BE OPEN & CLEAR ABOUT CONFIDENTIALITY

If you invite a young person to tell you about their wellbeing, make sure you know what you will do with the information, and remember that you cannot promise to keep it to yourself.

### 3. HAVE SIDE-BY-SIDE CONVERSATIONS

Some pupils find safety in side-by-side conversations such as a walk and talk, whilst tidying the classroom together or perhaps during a lunchtime club.

### 4. PROVIDE A QUIET ROOM FOR CONVERSATIONS

If a child discloses a mental health difficulty, invite them to talk in a safer, more private environment, and if appropriate, talk to your designated safeguarding lead (DSL) for advice about how the situation can be managed.

#### HELPFUL OPENERS

- You don't seem your usual self today. Would you like to talk about anything?
- You look sad/worried today. Do you want to have a chat about it/is there anything I can do to help?
- You said something interesting in circle time/at lunchtime about how you felt when... How do you feel about it now?
