

**OUR LADY & ST. ROSE OF LIMA CATHOLIC PRIMARY SCHOOL**  
**BAD WEATHER PROCEDURES**

What to do in case of adverse weather (guidance for parents and staff)

**EMERGENCY PROCEDURES FOR SEVERE WEATHER CONDITIONS HEAVY OVERNIGHT SNOW CONDITIONS IN THE AREA.**

Please operate under the presumption that school will only close as a very last resort.

Should the conditions around the school be a cause for concern in the morning, the school will contact parents via text message to state that the school will be closed. Information will also be on the school's and local authority website.

In the absence of this specific information, please be assured the school is open. Please **DO NOT** use the phone to enquire whether the school is open. This blocks lines for teachers and other emergency users.

**DAYTIME SNOW CONDITIONS AFFECTING THE AREA.**

Should pupils need to leave early due to worsening conditions, a message will go out text message as soon as possible.
