

# Year 1's

# Journey of Faith

# Prayer and Liturgy

## The Christmas Story

We have been learning all about the story of Christmas in our December sessions. The children learnt about how Mary and Joseph travelled to Bethlehem and how Jesus, the son of God was to be born in a stable.

# Learning and Growing as the People of God – Units:

## Prayer and advent

### Prayer

Year One have been learning all about Prayer this half term. They have discussed what prayer is. The children have also learnt about different types of prayer and have taken part in silent meditations.

Year One have also learnt about Advent. They have been putting decorations on our Christmas tree! Each day marks a different stage of the journey to Jesus birth and the children have enjoyed listening to the story of Advent.

We have also been discussing and writing prayers and even wrote Jesus a Christmas Card.

## Advent

# Catholic Virtues

This half term our virtues have been all about being attentive and discerning. The children have discussed the meaning of these words in class and how we can use them to be even better in our faith.

## Attentive and discerning

In Year 1 we are Attentive when we listen well in class.

We pay attention to our teachers when they are talking. We are attentive when we play with our friends and are kind. We are attentive when we listen to the bible.

In Year 1 we are Discerning when we show beautiful sitting on the carpet. When we make good choices. We are discerning when try to be like Jesus In our daily lives.

# Catholic Life of Our Lady & St Rose

Science Taking care of the Earth

Year One have enjoyed using the ipads this half term to create pictures using the jit5 app. They have been completing some amazing work on Seesaw! I have been so impressed with the children using the tablets with ease!

What is pollution? Match the definitions to the pictures!

			
Smoke from a factory	Litter on the streets	Oil in the sea	Litter in our lakes

Science L2 : To know that there are natural and manufactured resources that people on earth use. Can you match the pictures to the boxes?

Natural			Manufactured		
					
					

This half term the children had their first try using the VR headsets in the classroom.
