

Year 6's

Journey of Faith

Prayer and Liturgy

ADVENT

Whole School Retreat 2023

Retreat Day

Dan and Emily made visited us again and what a wonderful visit it was! The children absolutely loved this reflection time during Advent!

We explored how we shine our light for Jesus and how we can be the best versions of ourselves!

Gathering as a school for a prayer and reflection

Making our giant stars which hold our promises to shine like Jesus

Learning and Growing as the People of God – Advent

Parable of the Bridesmaids

In RE, we have been focusing on Advent as our unit of learning. In this unit, we explored the four prayers of Advent and looked at the hidden meaning of them.

We also explored multiple parables that link to Advent, this allowed us to reflect well.

The wise bridesmaids teach us to prepare ourselves for the arrival of Christ no matter what and to respect Jesus because for He is the Son of Man. ✓

The foolish bridesmaids teach us that if you are not prepared for the coming of Christ, you were foolish and not wise. Be wise and not foolish. ✓

The bridegroom that we are waiting for is Jesus. ✓

I am going to prepare myself for Jesus' coming by waiting and praising Him always.

For from this parable, I have learn't to be wise and not foolish. Also to prepare ourselves no matter the circumstance.

We wondered what the Parable of the Bridesmaids might be teaching us and how it can relate to our lives.

I wonder... what the message of Jesus is in this parable?

Maybe... the message is about being good disciples of Jesus and to never be a foolish person (always be wise).

Catholic Virtues

Attentive and Discerning

Our Catholic Virtues for this half term were attentive meaning listening well to others and God and discerning which means making good choices based on the things you listen intently to and how we can be more like Jesus.

Our Catholic Virtues luminary for being attentive and discerning is **James** because he is very attentive in class and around school. He takes on board advice and listens well to those around him and makes good choices based on what he listens to. James has worked really hard during his assessments, and this is because he has been attentive in class and has been discerning when avoiding distractions so that he can shine and be the best version of himself! He is also a great example of someone who is attentive to the Bible and teachings of Jesus and discerns the correct path for making good choices! Very well deserved James, well done!

Catholic Life of Our Lady & St Rose

Reading for Pleasure – Christmas Stories

Reading Buddies

This half term, Year 6 paired up with Year 2 again to read together. This was a great chance to work with other children in the school and to further our enjoyment for learning. The children were so understanding and supportive of one another which is just how Jesus and God want us to be.

To enhance our joy for reading, we had a lovely reading for pleasure event where some children stayed and listened to some Christmas stories told by their teacher. This was a really lovely experience in Year 6!

Christmas performance

Year 6 took part in their very last Christmas performance before we broke up! :(Although this was a little sad as it was their last one, they shone so brightly and made the performance amazing, as did the rest of KS2 and Year 2!

Catholic Life of Our Lady & St Rose Charity work at St Rose

Throughout the Advent period, we have been devoting ourselves to think of others and give more time donations to charity.

CAFOD – wearing purple

PTFA Fundraising – Christmas Clothes

Operation Christmas Child - Shoebox Appeal

SVP - Food bank donations
