

Year 3 Faith Journey

Weekly Reflections and Masses

Everyone in year 3 has really shown their dedication to God through the many opportunities they get to reflect on his love. They show they are committed to Him by living their day-to-day lives in the way he would want them to.

During this half-term, year 3 have enjoyed attending mass and liturgical assembly to deepen their love and commitment to God.

Collective Worship

Learning and Growing as the People of God: Prayer and Holy week

We have been learning all about Prayer this term. In this topic, we have explored how different faiths are able to communicate with God as well as how it strengthens our own faith, to feel connected and loved.

During our Holy Week topic, the children explored many different things from the last supper all the way to Easter Sunday. This week allowed the children to understand that Jesus died for us, and his love is everlasting.

Catholic Virtues

Compassionate and Loving/Faith-filled and hopeful

Being Compassionate in year 3 is integrated into our class in many ways such as:

- Speak with kindness.
- Apologise when we've made a mistake.
- Listen carefully and without judgment.
- Encourage other people.

Being faith-filled is such an important aspect in year 3. Each child could have been chosen for this. Being faith-filled doesn't just mean praying for what you want but living the way God would want us to. Just as Jesus loves each and every living thing, we should all follow in his footsteps and do the same.
