

Year 6 Faith Journey

Lent Assembly

Year 6 started the half term by leading an assembly about Lent and teaching the rest of the school about the importance of Lent and the journey towards Easter.

Collective Worship

Lent

In our RE lessons, we learnt about Lent and the sacrifices that Jesus made for us so we discussed the sacrifices that we could do too.

Learning and Growing as the People of God:

Holy Week

Holy Week is such an important time in the Christian Calendar so we learnt a lot about the final moments of Jesus' life before his crucifixion.

We went on a walk of the Stations of the Cross which was reflective of the sacrifice that Jesus made for our sins.

Catholic Virtues

Our Catholic Virtues of Faith-Filled and Hopeful

Year 6 have been living out the Catholic Virtues of Faith-Filled and Hopeful in class.

In Year 6, we are faith-filled when we...

- support those around the world for those living in poverty and we have faith that they can help
- persevere when things are hard as we know Jesus is by our side
- display role model behaviour to our peers and to others across the school and be the best versions of ourselves
- recognise that we are all made uniquely and treat everyone with respect

In Year 6, we are hopeful when we...

- feel that we can help to make a change in the world like taking care of people living in poverty especially in our Lent Charity acts
- practice and revise for our SATs and are hopeful that we will do our very best
- believe fully in ourselves which will help us to express the Gifts that God gave us (our talents)

we are made uniquely

Assembly – Behaviour and Anti-Bullying

Year 6 led another assembly this half term which taught the rest of the school about the Behaviour and Anti-Bullying policies. We enjoyed teaching the rest of the school about these topics as it helps us to be the people God wants us to be; kind, caring and respectful people.

Charity Work

Charity work is so important at St Rose but we did a lot of charity work in our Lenten acts.
