

Nursery's

Journey of Faith

Prayer and Liturgy

In Nursery, the children are right at the beginning of their journey in faith. We are starting to learn what it means to worship God with others.

We have been working so hard on learning how to make the sign of the cross. The children have tried so hard at saying the right words and using the correct actions.

This October is the month of Mary and we have been focusing on The Rosary. We have been curious about The Rosary on our altar and have learnt about how each bead represents a prayer.

Learning and Growing as the People of God Creation

of God

THEN GOD SAW EVERYTHING THAT HE HAD made, AND INDEED IT WAS VERY good.
GENESIS 1:31 (NKJV)

We have been learning all about the miracle of creation. We learnt how God made the day & night, the land and water, the animals and people.

"All nature seems to bespeak the works of God."
— Elder Boyd K. Packer

We had lots of fun painting pictures of our favourite part of the creation story and making a whole class collage of the world.

We created prayer cards thanking God for something special in creation.

Catholic Virtues

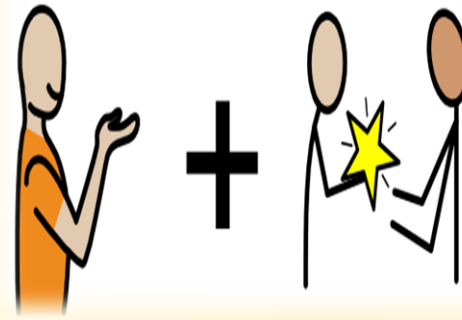

In Nursery we are generous when we:

- Take time to stop and help others.
- Share our toys with our friends.

Catholic Life of Our Lady & St Rose

We have enjoyed getting to know each other and chatting during our healthy snack times. Nursery have been forging key relationships and making new friends!

We then make sure that we care for the planet by recycling any left over fruit or vegetables in our class compost bins.

We have been enjoying learning all about ourselves and our bodies. Nursery know that we are all made by God and this makes us special. We enjoyed drawing making trees of us and our family!
