RSHE

## Prayer

Through each prayer we thanked God for belonging to his family and trusting in us to look after his creation.

In Year 3 we have been thinking about Jairus and his daughter and how Jesus heals her by touching her hand. He says Talitha cumi which means little girl, get up. This story teaches us to have faith even through suffering.

Finding Peace

We have explored many aspects of catholic social teaching but one of our main focuses has been on Finding peace. The Good News of the Gospel is that there is ALWAYS a second chance. Jesus asks us to forgive and to ask for forgiveness when we do something wrong. The children have found this is especially important as forgiveness can lead to healing.

# Belonging and Reconciliation

## Belonging

During our R.E lessons, we have been learning about what it means to belong not only to a community but to God's family.

## Belonging

We learnt about the different sacraments and how we can belong to the church. Each person has a special role to play in God's family.

## Reconciliation

In this topic the children learnt about making the right and wrong choices and how each action we take have consequences.

### Right

Following Jesus

Listening to the priest

Respecting others

### Wrong

Fighting

Talking during mass

Not sharing

**Learning and Growing as the People of God**

Have been our virtues for this half term. The children have discussed the meaning of these words in class and how we can use them to be even better in our faith.

# Catholic Virtues

In year 3 we are Curious when we:

Ask questions

When we think about our learning

When we focus on our work

When we learn new things

When we listen intently to our teachers

In year 3 we are Active when we:

When we ask question and want to learn more

When we take part in clubs outside of school

When we take part in church service

Involve ourselves into the tasks given by thew teach

Take on role in the school

## Faith week

To start our journey in year 3, we learnt all about a different faith, Sikhism. This allowed us to explore not only the differences between our faith and another but also to see similarities.

Task 1: Drag the pictures in the correct order.

Task 2: Orally tell the story of Guru Nanak.

Slide 1: Who founded Sikhism?  
Slide 2: What was his first job and what did he do?  
Slide 3: How long did he go missing for and what happened?  
Slide 4: Who did he treat equally?

Slide 5: Who listened to him and what were they known as?  
Slide 6: Where did he travel to and what did he do?  
Slide 3: What was a sign of respect and what was it for?  
Slide 4: What happened when he died?

## Prayer buddies

The children in year 3 went over to nurse's, where the children learnt about our common home and we said a prayer together. The children then worked in groups to write their own prayer to God thanking him for our common home and how we can look after it.

During one of our activities the children created story boards on the life of Guru Nanak Dev Ji.

## Pneumatics

Year 3 have been learning about how to create their own pneumatic toys. Each child got the chance to design their individual toys and then work together to create the system to operate their monsters.

During this the children learnt that pneumatics is all about the use of gas or pressurised air in mechanical systems.
