### Somewhere only we know – Keane

I walked across an empty land  
I knew the pathway like the back of my hand  
I felt the earth beneath my feet  
Sat by the river and it made me complete

Oh, simple thing, where have you gone?  
I'm getting old and I need something to rely on  
So tell me when you're gonna let me in  
I'm getting tired and I need somewhere to begin

I came across a fallen tree  
I felt the branches of it looking at me  
Is this the place we used to love?  
Is this the place that I've been dreaming of?

Oh, simple thing, where have you gone?  
I'm getting old and I need something to rely on  
So tell me when you're gonna let me in  
I'm getting tired and I need somewhere to begin

#### Chorus

And if you have a minute, why don't we go  
Talk about it somewhere only we know?  
This could be the end of everything  
So why don't we go somewhere only we know?  
Somewhere only we know

Oh, simple thing, where have you gone?  
I'm getting old and I need something to rely on  
So tell me when you're gonna let me in  
I'm getting tired and I need somewhere to begin

#### Chorus

And if you have a minute, why don't we go  
Talk about it somewhere only we know?  
This could be the end of everything  
So why don't we go? So why don't we go?

Ooh-oo-oo

Oh-oh-oh

#### Outro

This could be the end of everything  
So why don't we go somewhere only we know?  
Somewhere only we know  
Somewhere only we know

## Only You - Yazoo

Looking from a window above

It's like a story of love

Can you hear me?

Came back only yesterday

I'm moving farther away

Want you near me

### Chorus

All I needed was the love you gave

All I needed for another day

And all I ever knew

Only you

Sometimes when I think of her name

When it's only a game

And I need you

Listen to the words that you say

It's getting harder to stay

When I see you

### Chorus x2

This is going to take a long time

And I wonder what's mine

Can't take no more (can't take no more)

Wonder if you'll understand

It's just the touch of your hand

Behind a closed door

### Chorus x1

## **Don't stop – Fleetwood Mac**

If you wake up and don't want to smile  
If it takes just a little while  
Open your eyes and look at the day  
You'll see things in a different way

### **Chorus**

Don't stop thinking about tomorrow  
Don't stop, it'll soon be here  
It'll be here better than before  
Yesterday's gone, yesterday's gone

Why not think about times to come?  
And not about the things that you've done?  
If your life was bad to you  
Just think what tomorrow will do

### **Chorus**

All I want is to see you smile  
If it takes just a little while  
I know you don't believe that it's true  
I never meant any harm to you

### **Chorus x2**

Oooh Ooooooh, don't you look back  
Oooh Ooooooh, don't you look back  
Oooh Ooooooh, don't you look back  
Oooh Ooooooh, don't you look back

**Jesus strong and kind - CityAlight**

Jesus said that if I thirst  
I should come to Him  
No one else can satisfy  
I should come to Him

Jesus said, if I am weak  
I should come to Him  
No one else can be my strength  
I should come to Him

**For the Lord is good and faithful  
He will keep us day and night  
We can always run to Jesus  
Jesus, strong and kind**

Jesus said that if I fear  
I should come to Him  
No one else can be my shield  
I should come to Him

**For the Lord is good and faithful  
He will keep us day and night  
We can always run to Jesus  
Jesus, strong and kind**

Jesus said, if I am lost  
He will come to me  
And He showed me on that cross  
He will come to me

**For the Lord is good and faithful  
He will keep us day and night  
We can always run to Jesus  
Jesus, strong and kind**

**For the Lord is good and faithful  
He will keep us day and night  
We can always run to Jesus  
Jesus, strong and kind**

**Jesus, strong and kind**

### Stop crying your heart out - Oasis

Hold up  
Hold on  
Don't be scared  
You'll never change what's been and gone  
May your smile (may your smile)  
Shine on (shine on)  
Don't be scared (don't be scared)  
Your destiny may keep you warm

'Cause all of the stars  
Are fading away  
Just try not to worry  
You'll see them someday  
Take what you need  
And be on your way  
And stop crying your heart out

Get up (get up)  
Come on (come on)  
Why're you scared? (I'm not scared)  
You'll never change  
What's been and gone

'Cause all of the stars  
Are fading away  
Just try not to worry  
You'll see them someday  
Take what you need  
And be on your way  
And stop crying your heart out

'Cause all of the stars  
Are fading away  
Just try not to worry  
You'll see them someday  
Just take what you need  
And be on your way  
And stop crying your heart out

We're all of us stars  
We're fading away  
Just try not to worry  
You'll see us someday  
Just take what you need  
And be on your way  
And stop crying your heart out

Stop crying your heart out  
Stop crying your heart out  
Stop crying your heart out  
Stop crying your heart out

## God only knows – The Beach Boys

I may not always love you  
But long as there are stars above you  
You never need to doubt it  
I'll make you so sure about it

God only knows what I'd be without you

If you should ever leave me  
Well, life would still go on, believe me  
The world could show nothing to me  
So what good would living do me?

God only knows what I'd be without you

Ooh, ooh  
Do, do, do, do, do, do  
Bow, buh-bow, buh-bow, buh-bow (Do, do, do, do)  
Buh-bow, buh-bow, buh-bow (Do, do, do, do, do, do)  
Buh-bow, buh-bow, buh-bow, buh-bow (Do, do, do, do, do, do, do, do)

God only knows what I'd be without you

If you should ever leave me  
Well, life would still go on, believe me  
The world could show nothing to me  
So what good would living do me?

God only knows what I'd be without you

God only knows what I'd be without you  
God only knows what I'd be without you  
God only knows what I'd be without you (What I'd be)  
God only knows what I'd be without you (God only knows)  
God only knows what I'd be without you (What I'd be)  
God only knows what I'd be without you (God only knows)  
God only knows what I'd be without you (What I'd be)  
God only knows what I'd be without you (God only knows)  
God only knows what I'd be without you (What I'd be)  
God only knows what I'd be without you (God only knows)  
God only knows what I'd be without you (What I'd be)  
God only knows what I'd be without you (God only knows)

## Fix you - Coldplay

When you try your best, but you don't succeed  
When you get what you want, but not what you need  
When you feel so tired, but you can't sleep  
Stuck in reverse  
And the tears come streaming down your face  
When you lose something you can't replace  
When you love someone, but it goes to waste  
Could it be worse?

Lights will guide you home  
And ignite your bones  
And I will try to fix you

And high up above or down below  
When you're too in love to let it go  
But if you never try you'll never know  
Just what you're worth

Lights will guide you home  
And ignite your bones  
And I will try to fix you

Tears stream down your face  
When you lose something you cannot replace  
Tears stream down your face and I  
Tears stream down your face  
I promise you I will learn from my mistakes  
Tears stream down your face and I

Lights will guide you home  
And ignite your bones  
And I will try to fix you
