

# The week ahead...

## Summer 1 Week 5: w/c 15<sup>th</sup> May 2023

Good afternoon,

Sorry for the late bulletin but better late than never!

KSI SATs continue this week so please keep everyone in your prayers. Break times now return to normal though but please ensure your children are aware that tests are taking place in the hall so please be mindful of this when they are going to the toilet.

Thank you to everyone who contributed to the time capsule for the coronation. This will be buried on Wednesday during the Year 5 Forest School session ready for future generations of St Rose pupils to dig up! Finally, please encourage your children to interact with the displays in the corridor. Thank you!

### Handwriting lessons

We all know how beneficial handwriting lessons are and the impact that good modelling has on our children. Please could you remember that, once you have finished your modelling and the children are given their independent time to write, you still need to walk around and check their work to address any misconceptions immediately. Only by doing this will our children be encouraged to make changes to their writing. Thank you.

### Feast of the Ascension

Thursday is a holy day of obligation and, whilst we have a school mass on Wednesday, it is still important to observe this day with the children. Mass will be at St Peter's but please watch it online with your children at 10am on Thursday. A link will be sent to you on the morning.

### Staff Meeting – All Staff

The staff meeting on Wednesday is for ALL Staff. Paul would like all teachers and TAs to be present as it is about safeguarding. Please ensure you dismiss the children as prompt as possible so the meeting can start quickly. Even if you are unable to attend all the meeting, we would be extremely grateful if you could attend some of it as there will be some important information given out during the meeting.

### Readers in Assembly

Thank you to everyone who has volunteered to read in assembly. The readers for the remainder of this half term are as follows:
