

# The week ahead...

## Summer 2 Week 2: w/c 12<sup>th</sup> June 2023

Good morning,

First week down so well done everyone. Swimming seems to have gone well other than slight transport issues so well done to everyone. The KS2 sports day was fantastic and we appear to have some budding athletes in our midst! The PTFA will be very active this half term and one of their first initiatives is to sell 'tip-tops' after school during Healthy Living Week. If you happen to be in the shops and spot a box, please would you consider buying it and donating it to them please. Any money they make goes back into doing things for the children so they will greatly appreciate it.

### Readers in Assembly

Please could you sign up to Alice's reading rota for Summer 2. At the moment, only a couple of people have signed up.

### Staff Calendar

Please could you ensure you add any appointments or events to the whole school calendar so everyone can see what's going on each week. It's especially important to add the times and, where cover is needed, who is covering so it is clearly visible to everyone. Many thanks.

### Song of the week

The sun continues to shine down on us which makes everyone feel better and want to spend the time in a beer garden. It's only right to enjoy a sunshine song to get us into the weekend... let's hope it lasts a little longer. Enjoy [Bob Marley 'Sun is Shining'](#) featuring [Robin Schulz](#) (if you enjoy the upbeat version) or the [classic version](#) if you prefer less of the dance element!

Have a fabulous half term!  
Paul, Alison and Rachel
