

The week ahead...

Summer 2 Week 7: w/c 17th July 2023

Good morning,

What happened to the sunshine? This week has certainly given us some biblical showers so we desperately hope they calm down for the Year 6 residential next week. We're fast approaching the final week and we've still got so much to do. Next week is another busy one, with the charity day being a big part of it so please read the schedule carefully. If each class could make a STOP sign using tennis rackets for the 2 adults to hold, that would be fantastic!

Our final assembly will take place in the afternoon of Monday 24th July.

Year 6 Leavers Mass

The Year 6 leavers mass takes place on Friday at 10am. The children will all wear their uniform for this mass. This mass will take slightly longer than a normal mass so the children will need to go straight out to break afterwards so that they are all back in ready for the early lunch.

Charity Day

Please look carefully over the charity day document attached as it contains a lot of important information. As a class, please ensure you have the following on the day:

- A curver box with your class name on and all the children's lunchboxes inside.
- First aid kit for the walk
- Inhalers for the children
- Balloons blown up for the children to hold (in pack that will be given next week) along with banners to carry
