

The week ahead...

Spring 1 Week 6: w/c 6th February 2023

Good morning,

Congratulations on another great week and the prospect of week 6 means we've only got 2 weeks to go. Well done to all the TAs for sorting all the books out on Wednesday. I know there are more to come but the classrooms are already looking wonderful and the new titles will encourage the children to dive into a good book... and actually read it! Today is the wonderful Niamh's birthday so, if you have her number, please don't forget to wish her a happy birthday!

Song of the week

With only two weeks left to go until we break up the light is most definitely getting brighter. Daffodils are starting to pop up out of the ground which means Spring is on its way and hopefully the sunshine will be too. This week's song reflects this so enjoy ['Here comes the sun' by the Beatles](#).

SEND Targets

Rachel has sent us all an email regarding the SEND targets for the end of this half term. Please could you ensure your continuums and target reviews are completed for Monday 13th February. Could you also put your blue continuum folders, one English SPAG book and the Maths Journey book in the leadership room.

Newsletter Photos and Articles

As we come closer towards the end of half term, please remember to start compiling your photos and articles for the newsletter. If this could be completed by Monday 13th Feb.

Have a wonderful weekend!
Paul, Alison and Rachel
