

The week ahead...

Summer 1 Week 1: w/c 17th April 2023

Good morning,

The holidays are finally here and well done for surviving a very hectic Spring half term. Parent Consultation afternoon went well and there appeared to be a lot of smiling faces so thank you everyone for your hard work on Wednesday – it's very much appreciated.

The start of next half term looks relatively quiet so fingers crossed it stays that way. We'll start with a training day on the Monday, which will ease us in to the new term, details of which are below. Please make sure you read the newsletter to see all of the wonderful things you've been part of this half term – it really is a celebration of the hard work and effort you put in to our children's experience at school.

We hope you have a truly wonderful Easter break and for our St Rose brides, we hope your days are exactly as you'd planned... and more! Thank you everyone for all your hard work this term and make sure you all rest and enjoy the two weeks away from school!

Impact Records for Spring term

Please look at your impact records for Spring term and update the school development plan and leadership impact document accordingly. Remember, this is not about detailing everything you have done. It's about the impact your leadership has had so make your points concise and informative!

Song of the week

Whilst we're all celebrating reaching the Easter holidays, two members of staff have far more important reasons to celebrate the holidays finally arriving. Becky and Kelly's weddings will definitely be reasons for us all to smile and we hope you both have fabulously memorable days. Our fingers will be crossed that the weather is kind to you both. This song is dedicated to both our special ladies so enjoy a little bit of [Bruno Mars 'Marry You'](#). Have an amazing day both of you!

Journey of Faith

Please be reminded that your journey of faith slides should be completed by the end of Week 1.

Have a fabulous Easter holiday!
Paul, Alison and Rachel
