

THE WEEKLY BULLETIN

IMPORTANT INFORMATION FOR THE WEEK AHEAD

DATE: FRIDAY 14TH JUNE 2024

Good morning,

Well done to all the children for a fantastic second week of the final half term. It's certainly been a busy one with the children in Year One completing their phonics screening checks, and some of the children in Year Four completing their multiplication tests.

Congratulations to all the children for working so hard and giving it 100%!

The other day, a school crossing supervisor was present at the end of the school day, and they noticed that some parents were driving quite fast, despite it being a peak time of the school day. Could we ask that you are all mindful of your speed, and the places you park, at the beginning and the end of the school day. Whilst we are very lucky to have someone to cross people over the road, we still need to be mindful that children could run out at any time. Please also be mindful of where you park and always ensure you are parked correctly, where children can be seen clearly. Your support and cooperation is greatly appreciated.

A MESSAGE FROM YOUR CLASS TEACHERS

CLASS		TEACHERS	THEIR MESSAGE TO YOU
Nursery		Miss Murphy & Mrs Laroque	Nursery have had a busy week learning all about more and fewer in Maths and comparing different quantities and amounts. The children have been focusing on name writing in Literacy and understanding that print has meaning. We have been so impressed with the amount of children who can write their name and all of Nursery have been trying so hard! Please remember to sign up for the secret parent reader if you have not already and enjoy the weekend everyone!
Reception		Mrs Shaw & Mrs Jones	Another great week in Reception! In Maths we have been. We have also been identifying doubles. In Literacy, we have been writing about the story of the Little Red Hen. We are continuing to work on forming letters correctly, so any extra support with this at home would be great. This week, in our Understand of the World lesson this week, we were architects, building palaces from Lego, junk modelling and paper shapes on card. In Art the children have begun creating their own Henri Rousseau 'Toucan' pictures and I have been so impressed by the results so far.
Year 1		Mr Abnett, Miss Cashmore & Mr Fallows	WOW! Year 1 are superstars! Miss Cashmore and I are so proud of you all for smashing your phonics screening test! I'm sure that it will be a big relief that it is all over now! Please note scores and if your child has passed will be in your report in July. Pass mark boundaries might change from the DfE. Once again, a big well done to all children in Phonics this year!
Year 2		Miss Elliot, Mrs Barnett and Miss Humphries	Year 2 have had a wonderful week learning all about murals and tapestries in Art. We have even made our own version to display in school - a photo of this will be put on the class page once it's fully dry, if you'd like to see it.
Year 3		Mr McNamara & Mrs Deocades	Well done to Year 3 on their second week back! During our foundation topics, they have all produced some amazing work in their computing lessons. Their work has been fantastic. Keep up the good work!
Year 4		Mr Clewer & Mrs Hawkins	A big well done and congratulations to everybody in Year 4 for their hard work this week on their official multiplication assessments. The whole class have worked extremely hard and should be very proud of themselves; Mr Clewer and Mrs Hawkins are very proud of them too!
Year 5		Mrs Hensman, Mrs Edgington & Mr Lahert	Well done to all of Year 5 for a wonderful trip to the Black Country Living Museum. Your behaviour was exemplary, and your enthusiasm was a sight to behold. We know this has put all the lessons about the Industrial Revolution and the Victorians into context for you.
Year 6		Miss Mapother, Miss plant & Mrs Carroll	Well done Year 6 on a great week, you have been working really hard in our foundation subjects as we have completed both the Computing and Art units this week, this has been fun! Well done also on the effort and enthusiasm you have been putting into rehearsal practice, it is coming along nicely!
Daily active & After school sports clubs		Mr Read	Well done to my mixed ball talents in the after-school club. especially the year 6 students, who displayed wonderful teamwork, leadership abilities, and positive effort while participating in the activities. Good Job, guys.
