

THE WEEKLY BULLETIN

IMPORTANT INFORMATION FOR THE WEEK AHEAD

DATE: FRIDAY 7TH JUNE 2024

Good morning,

The first week back has certainly been a busy one, with Sports Day and the Year 6 residential and class photos. The weather sadly didn't work in our favour for Sports Day but it didn't dampen the spirits of our children, who gave 100% in everything they did – even though they were gradually getting more wet as the afternoon went on. It was lovely to see Year 2 there enjoying the event to. They looked so grown up and we are all so proud of how determined they were to complete all the different events. Sporting events can be a logistical nightmare, not only at the stadium but also in terms of the transport. Thank you to all the parents who were supportive, both at the event and when the children were slightly delayed on their return to school. Your support helps things to run smoothly and certainly makes things more pleasant for the staff.

This half term is a busy one, so please make sure you make a note of the key dates and events.

A MESSAGE FROM YOUR CLASS TEACHERS

| CLASS | | TEACHERS | THEIR MESSAGE TO YOU |
|--|---|---|--|
| Nursery |  | Miss Murphy & Mrs Laroque | We have had a fantastic first week in Nursery and were amazed to see butterflies in our classrooms when we returned. We have been looking after them this week and then released them into the wild, so that they can enjoy the beautiful outdoors. The children have also been learning about weight and using scales to compare different objects using heavier and lighter. Well done children and have a great weekend! |
| Reception |  | Mrs Shaw & Mrs Jones | We have had a great week in Reception this week! In Maths we have been counting to 20 using tens frames and counters. In Literacy, we have been reading and sequencing the story of the Little Red Hen. This week, in our Understand of the World lessons, we have begun our new topic of Kings and Queens. The children were fascinated to learn all about King Charles III, who is King of the UK and the Commonwealth. I have asked the children to look out for the King Charles III's face on stamps, coins and even bank notes, as they have just been released. |
| Year 1 |  | Mr Abnett, Miss Cashmore & Mr Fallows | Wow! What a week we have had in Year 1! The children have come back to school with a great attitude to learning! We have completed our Art lessons doing lots of painting and drawing and started our new RE unit of forgiveness. Please remember it is the Phonics screening test next week so please keep reading with your children for the final push! After the test you will find out if your child has passed in the end of year report. |
| Year 2 |  | Miss Elliot, Mrs Barnett and Miss Humphries | Year 2 have had a fantastic first week back. Not only have they been immersed in the world of Lego Spike in their Computing lessons but they also got to experience the KS2 Sports Day for the first time. Usually, they wouldn't do this until Year 3 but this year they took Year 6's spot as they were on residential. They really did us proud and had an amazing day. Thank you to those parents who came to support them, it was lovely to see you. |
| Year 3 |  | Mr McNamara & Mrs Deocades | Welcome back year 3! This week has flown by and only 6 more to go. You all have come back with the right attitude to learning and that is what we love to see. Keep up the fantastic work! |
| Year 4 |  | Mr Clewer & Mrs Hawkins | We've had a lovely first week back in Year 4 this week, our multiplication tests will be taking place over the next two weeks so please remember that each child should be practicing their times tables each night. |
| Year 5 |  | Mrs Hensman, Mrs Edgington & Mr Lahert | Well done Year 5 for a wonderful start to the half term. You have worked hard during our Art lessons this week and demonstrated true athletic ability during our Sports Day. Please remember that it is our trip on Wednesday so let your excellent behaviour shine! |
| Year 6 |  | Miss Mapother, Miss plant & Mrs Carroll | WOW! What a week we have had Year 6, we have had the best time with you all at Residential! You all impressed us so so much and made us so proud! We loved every minute and know that you all enjoyed it too! Even when we were back at school, you listened really well in our Science lessons and have been fantastic! Well done, have a restful weekend! |
| Daily active & After school sports clubs | | Mr Read | What a dynamic way to begin the week for year 6, who during their trip to Alton Castle demonstrated key sport skills like perseverance, teamwork, and persistence. Fantastic work, guys. |
