

THE WEEKLY BULLETIN

IMPORTANT INFORMATION FOR THE WEEK AHEAD

DATE: FRIDAY 19TH APRIL 2024

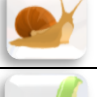

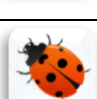

Good morning,

It's been a busy week at St Rose this week and there has certainly been a buzz of excitement in Early Years as they had a delivery of 10 very special eggs on Monday. The children have been so excited to come in and check whether the eggs have hatched – this is such a wonderful way for the children to learn about the life cycles of different animals. Years 1 and 2 have almost completed their two weeks of swimming and their teachers have commented on the excellent progress the children have been making. Well done Years 1 and 2!

Next week, the book fair arrives at school. This is always a very popular event, so please make sure you check the dates and times on the sheet at the end of this bulletin. Please note, this is a cashless event so please make sure you have your card ready as unfortunately, we are unable to take any orders without card payment.

And finally... some of the dates for Summer 2 have been added to the bulletin, so please make sure you add these to your calendar. In particular, the KS2 sports day and another photo day.

A MESSAGE FROM YOUR CLASS TEACHERS

CLASS		TEACHERS	THEIR MESSAGE TO YOU
Nursery		Miss Murphy & Mrs Laroque	Nursery have had a super week learning all about Growing and Changing. We have been exploring the cycle of how caterpillars turn into butterflies through our class book, The Hungry Caterpillar and have also been learning about the different stages of planting and growing. The weather has been better too and it has been so lovely to have the children outside- they have been practising different ball skills and games and their riding skills using the bikes.
Reception		Mrs Shaw & Mrs Jones	We have had a very exciting week, this week in Reception! On Monday 10 eggs were delivered to school and since Wednesday, they have begun to hatch. The children were fascinated as they watched the chicks hatch in front of their own eyes. In Maths the children have been using subtraction to identify the missing part to 10. So, every day they have subtracted the number of eggs hatched from the whole number of 10 eggs.
Year 1		Mr Abnett, Miss Cashmore & Mr Fallows	Year 1 have sprung back to life this week! With children with Chicken pox we hope you feel better soon! Please note that there is NO swimming next week! We do however still have forest school this coming Thursday so please bring in some wellies if you haven't done so already. Keep getting the children on Numbots and Go-read it helps massively in class!
Year 2		Miss Elliot, Mrs Barnett and Miss Humphries	The children have had another brilliant week swimming and are sad that it has come to an end. They have made such good progress and we are proud of all of them for the way they have represented the school over the past two weeks. We hope you have a lovely weekend, Year 2 😊
Year 3		Mr McNamara & Mrs Deocades	Year 3 have performed amazingly in their foundation lessons this week; they have all really shown their artistic side and created some amazing pieces. Keep up the fantastic work.
Year 4		Mr Clewer & Mrs Hawkins	A great week in Year 4 and you've worked really hard in all the lessons. As we're gearing up for our multiplication test next half term, learning your times tables and practising them on TTRS is a huge priority, so please make sure you do this every night.
Year 5		Miss Neville, Mrs Edgington & Mr Lahert	It's been a very investigative week in Year 5 and we've thoroughly enjoyed being able to take the time to carry out experiments in Science... well done! We're having a real push on TTRS and reading now so please make sure everyone does it every night. It's not a lot but will make a huge difference.
Year 6		Miss Mapother, Miss plant & Mrs Carroll	Well done Year 6 on another fantastic week! You have been smashing your revision and completing your maths' assessments, we are so so proud of you all! Please keep up the great work and keep doing your revision at home but make sure to have a lovely weekend!
Daily active & After school sports clubs		Mr Read	The school made a fantastic effort regarding Active 15. The children have adapted well to a few new activities that I have introduced to them. I also want to thank my tennis club on Mondays after school. Excellent behaviour and effort. Fantastic work!

Please click on the class icon to be taken directly to your child's class page.

Book Fair

Wednesday 24th - Tuesday 30th April

3.30pm - 4.00pm

The Book Fair will be in school Wednesday 24th April- Tuesday 30th April and will run after school in the School Hall on these days from 3.30pm-4pm. This is where you can come and buy books for you keep and take home.

**We are going cashless once again!
Only card and phone payments will be accepted.**

Please look at the timetable for the book fair below and only come on the day of your child's year group. This is to avoid very busy queues and waiting times!

We can't wait to see you at the book fair!
