

THE WEEKLY BULLETIN

IMPORTANT INFORMATION FOR THE WEEK AHEAD

DATE: FRIDAY 6TH JUNE 2025

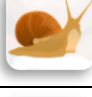

Good morning,

We hope you all had a good half term holiday! The weather doesn't seem to know what it's doing lately, but we're ever hopeful that it will turn and we'll have a sunny summer term.

This week has been a busy week for KS2, as they took part in their annual Sports Day at Tudor Grange. Whilst it started off a little wet, this didn't phase us, and Mrs Lay knew we would bring the sunshine... and that we did! The children were absolutely amazing and their resilience and determination was praised by members of staff from other schools who had never children so passionate. We are very proud of them all for receiving such glowing reports. Nursery also stepped out of school on Tuesday and visited Ash End Farm. Once again, the children were praised for their wonderful behaviour and manners, and we know they enjoyed seeing the different animals.

Next week is Big Green Week (more information can be found further in the bulletin) and the children are invited to bring £1 and wear green on Friday. During this week, we'd really encourage you to leave the car at home and get your children walking, cycling or scooting to school!

A MESSAGE FROM YOUR CLASS TEACHERS

CLASS		TEACHERS	THEIR MESSAGE TO YOU
NURSERY		MRS KHAN & MRS MUHSEN	We hope you all had a lovely and restful half term break! Nursery have settled in beautifully and it's been wonderful to see their happy faces again. They had an amazing time at the farm, the children really enjoyed seeing all the animals and their babies.
RECEPTION		MRS SHAW & MRS JONES	The children have come back to school very eager to learn, for their final 7 weeks in Reception. This week they have been learning all about different fruits and vegetables and discovering where they grow. They enjoyed tasting different fruits and then cutting and assembling their own fruit kebabs. We have now learnt all of phase 2 and 3 sounds and next week we will begin to recap all of these sounds. Please look at the phonics mat that is included in each week's homework, to recap these sounds at home.
YEAR 1		MISS MURPHY & MISS CASHMORE	We have had a very tiring week in Year One getting back into the normal swing of things after Swimming. The children have been learning about the features of riddles during English and have studied pointillism during Art. We had some beautiful pictures of butterflies! It is the Phonics Screening Check next week so please make sure your child practises their Phonics and reading books over the weekend- we know they are going to make us so proud! Have a wonderful weekend and get some rest Year One!
YEAR 2		MISS ELLIOT & MRS BARNETT	Year 2 have had a fantastic first week back after the half term break! They've returned with great enthusiasm, throwing themselves into their learning and showing excellent behaviour. We are so proud of them!
YEAR 3		MR MCNAMARA MRS DECADES & MISS PLANT	Well done to year 3 on a fantastic week. Our foundation focus has been on the War of the Rose in History and each child has produced some great work. Keep it up!!!
YEAR 4		MRS HICKMAN, MRS LEE-MOHAN & MRS FINNEGAN	Well done for a brilliant week, Year 4! Despite the rainy start, we had a fantastic day at Sports Day. We have also been very busy practising our times tables on a daily basis. Please continue to do this as much as possible at home, in preparation for the Year 4 Multiplication tables check next week so please make sure you complete a mock test called 'Maths Frame' which can be accessed via BGFL or online. The children can also practise on TTRS. Thank you once again! 😊
YEAR 5		MRS HENSMAN, MRS EDGINGTON & MISS HUMPREYS	Year 5 - you were tremendous! In all my time of attending Sports Day, I have never seen a class so resilient and supportive of each other. Not one of them gave up, and they were all fantastic sports. What a truly fabulous way to start the half term. Well done Year 5!
YEAR 6		MS ELSBY-ARNOLD, MISS MAPOTHER & MR LAHERT	We can't believe this is Year Six's final term at St. Rose! This week the children did us proud with their amazing effort during Sports Day, have been working really hard with their writing and even made a start on their end of year production.

STAR OF THE WEEK

This week, we decided to make the star of the week focus those children who have shown their athletic ability throughout the week. For KS2, they had the opportunity to shine during Sports Day, but all the other classes continued with their PE and daily active sessions, so the teachers were carefully watching to see which 'sporting stars' shone brighter than the rest.

CATHOLIC LIFE AT ST ROSE

CATHOLIC VIRTUES FOR SUMMER 1

This children are working hard on their catholic virtues for Summer 2, so this week we're still continuing with the virtues for Summer 1.

Compassionate means to notice when someone is sad or hurting and want to help them. Jesus showed compassion to everyone - and He asks us to the same by loving and helping others.

Loving means to care for others and show kindness with our words and actions. Jesus teaches us to love God, love others

At the start of each half term, all the children think about how they live out the Catholic Virtues within their classes. These are shared as part of our liturgical assembly.

We are Compassionate when we:

- Can see that somebody is sad, we feel sad for them so we try and make them smile.
- See somebody sitting on their own in the playground, so we play with them.
- Help those who have fallen and hurt themselves, by taking them to an adult.
- See people on the streets who do not have homes so we buy them some food or a drink.
- Give money to charity to help those who are less fortunate than ourselves.

Year 2

Compassionate

We are Loving when we:

- Remember that we are all God's children and so we should treat others how we want to be treated.
- Forgive those who have hurt us.
- Show solidarity and care for each other.
- Help somebody who is finding the work tricky.
- Play together and make sure everybody feels included.
- Share with each other.

Year 2

Loving

OUR PRAYER OF THE WEEK

Come Holy Spirit

Fill the hearts of Your faithful

Enkindle in them

The fire of your love

Send forth your Spirit

And they shall be created

And you will renew

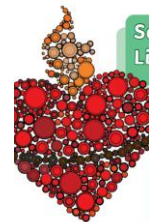

The face of the earth

JUNE: THE MONTH OF THE SACRED HEART

As we are now in the month of June, we turn our attention to Jesus as the Church dedicates this month to the Sacred Heart of Jesus. As part of this month, we will dedicate our prayers to Jesus, so we thought it would be good to start the month with a creative activity that can be done at home.

Sacred Heart Recycled Bottle Lid Craft

You will need the following:

- A hot glue gun
- Sacred Heart of Jesus template, printed onto A3 card
- Brown, red, orange and gold bottle lids

The Sacred Heart Recycled Bottle Lid Craft also fits in perfectly with our Big Green week next week, as it shows how we can recycle plastic objects into other things.

Any child who completes this should bring it to Mrs Hensman by Thursday so that they can be displayed in Friday's assembly.

Housepoints will be given as a reward for your hard work.
