

THE WEEKLY BULLETIN

IMPORTANT INFORMATION FOR THE WEEK AHEAD

DATE: FRIDAY 13TH JUNE 2025

Good morning,

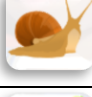

It's been a busy week this week and the children have been working hard to choose alternative modes of transport, rather than simply jumping in the car. It has also been wonderful to see so many reusable water bottles in the classroom, rather than single use plastic bottles. Whilst it has been Big Green Week, this is something we should focus on always to help protect the planet.

In addition to Big Green Week, Year 5 visited the Black Country Museum as part of their History Curriculum and, thankfully, the sun shone all day for them. For the first time, we visited the underground mines and, whilst there were some squeals when we moved around the dark mines, the children gained valuable insight into what it would have been like for the adults, and children, during the time of the Industrial Revolution. Next week, Year 1 will go on their trip to the Think Tank, so please make sure you have signed the letters and paid via Parent Pay or the office.

Next week, the children will take part in some Indian Drumming Workshops, as part of their music curriculum. In previous years, we have taken part in African Drumming workshops, so we're all really looking forward to experiencing a different style of music this year.

And finally, please remember that the children are invited to bring in £1 and wear GREEN tomorrow to raise money for Water Aid.

A MESSAGE FROM YOUR CLASS TEACHERS

CLASS		TEACHERS	THEIR MESSAGE TO YOU
NURSERY		MRS KHAN & MRS MUHSEN	Well done Nursery for another great week! We spoke all about the Great Big Green Week and discussed the importance of caring for our environment and looking after our Earth. With warmer weather expected next week, please ensure your child comes in with a water bottle and plenty of sunscreen.
RECEPTION		MRS SHAW & MRS JONES	We have had another great week in Reception. This week we have begun our final Understanding of the World topic about Space. The children had great fun learning about gravity and they have come up with some great questions about what they would like to know about Space. By the end of the term, I'm sure that they will all be expert Astronomers! Please complete homework given out on Fridays and Log on to Reading Eggs and NumBots to help with Phonics and Maths learning. Finally, please label all jumpers and cardigans.
YEAR 1		MISS MURPHY & MISS CASHMORE	Year One have had a very busy week and have all taken their Phonics Screening Checks. We are so proud of all of the children for their hard work and dedication—they have all done so amazing! The children have been working on measuring different masses during Maths and learning about the promise of The Holy Spirit during RE. Don't forget it is our trip on Tuesday, so please ensure you have both returned the letter about packed lunches and paid the school office. Have a great weekend!
YEAR 2		MISS ELLIOT & MRS BARNETT	Year 2 have had a fantastic week exploring the powerful voices of inspirational figures in History, including Greta Thunberg and David Attenborough. In English, they loved creating their own penguin shape poems — another brilliant week of learning!
YEAR 3		MR MCNAMARA MRS DECADES & MISS PLANT	Well done to year 3 on another great week. This week's foundation focus has been a continuation on the war of the roses explaining how Henry Tudor ended the line of the Plantagenets, all the children have worked well within this topic. Keep up the great work!!!
YEAR 4		MRS HICKMAN, MRS LEE-MOHAN & MRS FINNEGAN	Well done for a brilliant week, Year 4! At the beginning of the week we have been very busy practising our times tables, which meant that when they took the multiplication tables check they all did incredibly well. They were all very calm and well prepared, so they were able to do their very best. We are all so proud of you. Well done Year 4!
YEAR 5		MRS HENSMAN, MRS EDGINGTON & MISS HUMPREYS	Year 5 have had a wonderful week, made better because of the fabulous trip to the Black Country. As always, their behaviour was exemplary, and they thoroughly enjoyed the school lesson, where Miss Humphreys and I were told off by the headteacher... all in the name of fun! Staff and children alike enjoyed the mine experience, and we know this will really help their understanding of the Industrial Revolution. Please don't forget about the RSHE parent workshop on Thursday morning.
YEAR 6		MS ELSBY-ARNOLD, MISS MAPOTHER & MR LAHERT	Year Six have had another busy week focusing on their writing, designing prints in the style of William Morris and learning all about the continent of North America.

CATHOLIC LIFE AT ST ROSE

CATHOLIC VIRTUES FOR SUMMER 2

The Catholic Virtues for Summer 2 are **Faith-filled** and **Hopeful**.

Faith-filled means to be full of faith. Faith that Jesus is a part of our lives and that he wants us to be the very best versions of ourselves.

Hopeful means to be full of hope. To have hope in ourselves and in others. Hope that we will make the right choices and decisions for ourselves and for the people in our families and our communities.

At the start of each half term, all the children think about how they live out the Catholic Virtues within their classes. These are shared as part of our liturgical assembly.

Faith-filled

In Year 6 we are **FAITH-FILLED** when we...

- Stick to Jesus even in the hard times
- Go to church
- Have RE lessons, pray to God and go to mass and read the bible
- Look up to God even though the situation we are going through is troublesome like having to endure a sudden change.

Hopeful

In Year 6 we are **Hopeful** when we...

- Help people through something, when there's war, and when someone dies
- When we are going through difficult times but we still have hope that God has a plan for us and he will help us.
- When we hope for everyone to do their best and achieve.
- Participate on charity days in school to create a better world
- Endure through stressful times as there is always someone or something that can help us.

Learning Living Loving together in Christ

OUR PRAYER OF THE WEEK

Prayer to the Holy Trinity

Glory be to the Father,
Who by His almighty power and love created me,
making me in the image and likeness of God.

Glory be to the Son,
Who by His Precious Blood delivered me from hell,
and opened for me the gates of heaven.

Glory be to the Holy Spirit,
Who has sanctified me in the sacrament of Baptism,
and continues to sanctify me
by the graces I receive daily from His bounty.

Glory be to the Three adorable Persons of the Holy Trinity,
now and forever.

Amen.

THE FEAST OF THE HOLY TRINITY

On Sunday, we celebrate the feast of the Holy Trinity. This is when we celebrate the Trinity – that God is one Being in three persons: God the Father, God the Son and God the Holy Spirit. The feast is always celebrated on the first Sunday after Pentecost and this year, it coincides with Father's Day.

This week's Wednesday Word focuses on the Trinity, so this would be a good resource to use with your children to help them understand the feast day further.

THE WORD SHARING SUNDAY'S GOSPEL A Gift to You & Your Family from Your Catholic School

Wednesday 11th June 2025

Dear Parents and Carers,

This coming Sunday, the Church celebrates the great feast of the Most Holy Trinity. This feast gives us further insight into God's true nature, which is one of love.

Human language can never fully explain the mystery of God which is beyond our total understanding. However, Jesus teaches us that, although there is only one God, there are three Persons in God – the Father, the Son and the Holy Spirit. So we speak of God as the Trinity of three Persons. The Father loves the Son and the Son loves the Father, and the Spirit is the love between them.

This love is one of the mysteries of faith and it prompts us to think more deeply about the Holy Trinity. Enjoy your week and help share God's love.

Don Henry (Bishop)

"May God the Father bless us, may Christ take care of us and the Holy Spirit enlighten us all the days of our life." (St Ambrose)

THE GOSPEL IN CHURCH
Sunday 15th June 2025

Jesus said to his disciples, "I still have many things to say to you, but they would be too much for you now. But when the Spirit of truth comes, he will lead you to the complete truth, since he will not be speaking as from himself, but will say only what he has learnt; and he will tell you of the things to come. He will glorify me, since all he tells you will be taken from what is mine. Everything the Father has is mine; that is why I have said: All the Spirit tells you will be taken from what is mine."

Adapted from John 16:12-15

2025: The Jubilee Year of Hope

Having Hope Families

This Sunday's Gospel reminds us that in the one God there are three persons. The Father creates us, the Son saves us and the Spirit gives us life. Each of these persons is part of perfect happiness, working in unity. One of the great joys for us, God created all people to enjoy the life and loving relationship of the Holy Trinity. Amen.
