

THE WEEKLY BULLETIN

IMPORTANT INFORMATION FOR THE WEEK AHEAD

DATE: FRIDAY 15TH NOVEMBER 2024

Good morning,

It was wonderful to see so many parents at our parent consultation afternoon on Wednesday. We thank you for your time and patience during these events as we often have a lot to say about the children in our classes and, unfortunately, this means we can sometimes run over a little bit. If you haven't already completed the parent questionnaire from Mr Carroll, [please click here to complete it](#). We'd be grateful if you could take the time to do this as we'd love to hear your feedback. Next week, Year 5 and 6 kick off this academic year's swimming timetable. It's always amazing to see the progress the children make during this two-week intensive session, and this is why it is a fundamental part of our curriculum.

Year 6 will also be the first class to embark on their curriculum trip this academic year. Their visit to the National Memorial Arboretum will help to secure their understanding of life during World War I and we hope it gives them a greater appreciation of what men and women went through during this significant period of History.

This week has been anti-bullying week and we have focused on the British Value of Mutual Respect. Our stars of the week represent children who always show kindness and consideration to those around them. Next week is British Parliament Week, and we will be focusing on the value of Democracy.

STARS OF THE WEEK

During our first week back, we've focused on the British Value of 'Mutual Respect.' This week's star of the week has been chosen because they embody this value.

HOUSE TEAM WINNERS

Every child at St Rose is part of one of our house teams. Individually, they work hard to achieve house points in class and throughout the school day and these are added together each week to form a collective 'House Team Total.' During our celebration assembly, they discover which team has won the most house points during the half term. The winning team can then cast their individual vote for what 'treat' they would like the overall winning house team to win at the end of the half term. Their choices are:
