A Little Note from Mrs Hensman

A very happy Friday to you all!

I doubt there will ever be a week when we're not busy and this week has flown by. There are only two weeks left of the half term so please make sure you read the bulletin carefully to ensure you know what is going on. This week, I had the privilege of taking a member of the Diocese around our school to showcase all the wonderful work the children have been doing. He was thoroughly impressed with their behaviour and commitment to learning. A huge thank you to all the staff for their continued hard work and dedication. Having such a great team makes a big difference to what your child experiences on a day-to-day basis. Our school is a community that everyone should be proud of, and we will be celebrating this on the final day when we have our annual 'Our Heritage Day'. This year, I'd love to be able to share your stories with the rest of the school, so everyone can understand exactly how far across

With every blessing,

Mrs Hensman

The globe our school family spreads. I'll be sending out sheets next week and would love for you to contribute. Please look out for these.

Have a wonderful weekend.

This Week at OLSR

It's hard to believe we're at the end of week 6, with only two weeks until the end of half term. Here's what's been going on this week.

- We had a visitor from the Diocese who came to look at our wonderful school and fabulous children. He was very impressed by how hard the children were working and how well behaved they were.
- The children enjoyed more cakes at an impromptu cake sale on Friday!
- Years 1 and 6 has their final Forest School session and are looking forward to finding out what their next mission is.
- Year 4 decorated the statue outside the Church as part of their Loving Mission, and this will now stay in place for the next five weeks. Well done to the children for being so creative.
- Nursery went down to the hall for the first time, ready to join our celebration of the word on Monday.
- We all celebrated Mass with Father Gary on Wednesday and completed a decade of the Rosary during his Homily. The House Captains were in charge of reading during Mass and read beautifully.
- Year 6 pupil leadership team continued with their Rosary Challenge as part of their leadership missions.
- Our school received two awards for attendance this week. One for being in the Top 10% most improved schools and the other for being in the top 25% of schools for attendance.
- We all wore yellow to support Young Minds and raise money for their Mental Health Charity.

Celebrating Our Children

Each week, we celebrate children for a range of different reasons but with the core understanding that they, in some way, have shone brightly in their classrooms. We celebrate them as part of our 'Gifts from God' assembly.

If your child has been chosen to receive an award, you will be contacted the day before to invite you to our assembly. We look forward to sharing your child's successes with you this year!

Star of the week: This week, we decided to focus on presentation as our 'Star of the Week' focus. Presentation is very important to us as a school and we are keen for all children to be able to write neatly and legibly to enable us to read the work they have completed. As a school, we are investing in new handwriting books to support this. This week's stars have all been chosen because they have been trying really hard with their presentation since the beginning of the year/

Celebrating the power of words

Poetry
can change
how we see
the world!

What is National Poetry Day?

National Poetry Day is an annual event in the UK, held in October, that celebrates the joy, creativity and power of poetry. It encourages everyone – of all ages – to read, write, share and enjoy poetry.

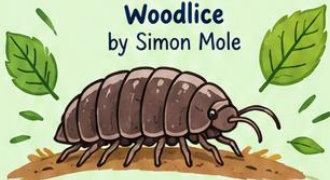

Why is poetry important?

- ♥ It sparks imagination and creativity.
- ♥ It helps us to express our thoughts and feelings.
- ♥ It builds confidence with language and vocabulary.
- ♥ It helps us to see the world from different perspectives.
- ♥ It can inspire change, kindness and a love of the natural world.

What we explored in each class ...

Reception

Woodlice
by Simon Mole

We listened to the fun and lively poem and talked about woodlice. The children orally composed their own sentence before writing it underneath.

Year 1

Six Ways of Looking at a Leaf
by Kate Wakeling

We had our own leaves to explore and created three different ways of looking at them, thinking about how they look, feel and what they remind us of.

Year 2

Ways of Looking at a Leaf
by Kate Wakeling

We built on our ideas to write 4–6 short lines or sentences, each showing a different way of seeing our leaf, using exciting vocabulary and descriptive language.

Year 3

The Great Big Clean Up
by Christian Foley

We explored a powerful poem about looking after our planet. We then wrote our own messages with the title: "HELP US CLEAN UP OUR WORLD!" with the aim of displaying them around school for others to read.

Year 4

Our Great Big Clean-Up

We wrote a short persuasive speech to our school community, thinking about how we can look after our environment and make a positive difference.

Year 5

Mae dal yn wyntog Mam!
by Ifor ap Glyn
(The Wind Is Alive)

We were inspired by this evocative poem to create our own free-verse poems, exploring the power and movement of the wind.

Year 6

Our Own Free-Verse Poems

We created original free-verse poems, using all the ideas, inspiration and skills we had explored throughout the week.

Faith & Mission

This Sunday is the 28th Sunday of Ordinary Time and the Gospel is Matthew's Gospel story about the Parable of the Wedding Feast.

Community and Participation

We are all part of God's family and are called to include others, welcome everyone and help our communities to flourish.

The Gospel Message

Jesus tells a story about a king who gives a great feast for his son. Many people are invited, but they choose not to come. So the king invites everyone – good and bad, near and far – because God's kingdom is for everyone. We are all invited to a special place with God. We need to say "yes" and show this through our choices and actions.

Your Gospel challenge

Make room for someone!

This week, look for someone who might be feeling left out and invite them to join in. Include others in your game, conversation or group and help everyone to feel welcome and valued.

Our Lady of the Rosary

This week we remember the Feast of Our Lady of the Rosary (Wednesday 7th October). Mary shows us how to say "yes" to God and to trust Him in all we do. When we pray the Rosary, we ask Mary to help us to be more compassionate and loving, and to live out what Jesus teaches us.

What is the Rosary?

The Rosary is a special prayer that helps us to think about the life of Jesus with Mary.

We say prayers.

We think about different moments in the life of Jesus (the Mysteries).

We ask Mary to help us.

We grow closer to Jesus.

How do we pray the Rosary?

- 1 Make the Sign of the Cross and say the Apostles' Creed.
- 2 Say an Our Father.
- 3 Say ten Hail Marys, thinking about the Mystery.
- 4 Say a Glory Be.
- 5 Continue with the next Mystery.

A Prayer to Our Lady

Hail Mary,
full of grace,
the Lord is with you.
Blessed are you among women,
and blessed is the fruit of your womb, Jesus.
Holy Mary, Mother of God,
pray for us sinners,
now and at the hour of our death.
Amen.

THE WORD SHARING SUNDAY'S GOSPEL WITH PARENTS & FAMILIES

Dear Parents and Carers,

At different times throughout our lives, we and our children will receive various invitations – some more important than others. However, the most important invitation is the one that is offered to us in the Gospel below.

Throughout the Bible the joyful images of weddings are often used to describe how much God loves us. When Jesus told this story he was thinking of the Chosen People, the people of Israel, but many of their leaders did not respond to God's invitation when Jesus came.

Wednesday 7th October 2026

God's invitation is not just for certain people but for all of us, regardless of our past or present situation. God's banquet starts here on earth and continues right into heaven.

You are invited to enjoy spending a short, special time with your child exploring this Sunday's Gospel and this Wednesday's word, which is **INVITATION**.

Don Henry Widdowson

A Word from the Saints

"The Gospel is an invitation to the fullness of life."
St John Paul II

THE GOSPEL IN CHURCH
Sunday 11th October 2026

Jesus said, "The kingdom of heaven is like when a king held a wedding feast for his son. He sent his servants to summon those who had been invited, but they didn't want to come. He sent other servants and said, 'Tell those who have been invited that I have prepared the meal, everything is ready, come to the feast.' Some of those invited took no notice, but others seized the king's servants. The king was very angry and sent his soldiers. Then he said to his servants, 'The wedding is ready, but those who were invited were not worthy. Go out into the streets and invite everyone you find to the wedding feast.' The servants went out and gathered together everyone they could find, both bad and good alike. The wedding hall was now filled with guests."

Adapted from Matthew 22:1-10

Family Time Prayer & Share Overleaf

Good News for Everyone In this Sunday's Gospel God is like the king, inviting us to the feast. We are reminded that we are invited to share in God's life: to celebrate belonging to the family of God forever, living in peace with everyone.

This week's focus:

The Graduated Response

What does this mean?

A clear and simple explanation of this week's topic.

Schools use a cycle called Assess -> Plan -> Do -> Review to understand needs, put support in place and see whether it is helping.

What parents need to know

Key information, advice and why this matters for your child/children.

Support for SEND is not a one-off decision. Teachers assess what a child needs, plan appropriate support, put it into practice and then review its impact. If something is not working, the approach can be changed. Parents and children are important partners throughout this process.

What you can do at home

Practical tips and ideas to support your child/children.

Share what works well at home and ask what strategies are helping at school. Consistency between home and school can be very helpful.

Worried about your child? Start here

If you **have any concerns** about your child's learning, development or possible SEND, please **speak to your child's class teacher first**.

Your child's teacher works with them every day and is best placed to discuss what they are noticing in school alongside what you are seeing at home.

If concerns remain, you can request an **Initial Concern Evaluation (ICE) Meeting** with your child's class teacher.

At the ICE Meeting, parents and teachers will discuss the concerns together, look at your child's needs and agree possible actions and support.

1

Speak to your child's class teacher

2

Request an ICE Meeting

3

Agree support and next steps

Need further SEND support?

If further SEND advice or involvement is needed following this process, our SENDCo is:

This week's focus:

Who is your child talking to online?

What does this mean?

A clear and simple explanation of this week's topic.

Children can communicate with people they have never met through games, apps and online platforms. People online are **not** always who they say they are.

Primary-aged children still need active adult supervision online.

What parents need to know

Key information, advice and why this matters for your child/children.

Children should be cautious if somebody online asks them to keep a friendship secret, share photographs, provide personal information, move to a private messaging platform or meet in person.

A person claiming to be another child may actually be an adult or older young person.

What you can do at home

Practical tips and ideas to support your child/children.

Know who your child communicates with online.

Make a simple family rule:

If we only know somebody online, we treat them as a stranger.

Children should never share their address, school, passwords or live location with an online stranger.

Talk about it together

Questions or conversation starters to help you explore the topic as a family.

Instead of simply asking, "Do you know them?", ask:

"How do you know that person?"

Need help?

Further support, useful contacts or where to get more information.

If an online contact makes your child uncomfortable, tell them not to respond further. Save the evidence, block/report the account and seek help.

If you believe someone is attempting to groom or exploit a child, report it to the appropriate authorities and inform school.

Digital

Wellbeing

Each week, we'll provide a different guide to help you with online safety at home.

This week, we've included advice on how to set up parental controls on an Android.

This is really important, as it will ensure your child can only access things that are suitable for them and appropriate for their age.

At National Online Safety, we believe in empowering parents, carers and trusted adults with the information to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one issue of many which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, hints and tips for adults.

How to Set up PARENTAL CONTROLS for APPS on Android Phone

On Android phones, restricting access to particular apps usually requires going onto Google Play. From there, it's fairly easy to navigate your way through the settings to manage the parental controls and authentications relating to any apps on the device. These features can prevent your child from downloading or buying anything unsuitable for their age. Updated versions of apps or games that your child has already installed may occasionally contain something inappropriate, so we've explained how to stop those, too.

How to Block App Downloads (This Also Disables In-app Purchases):

- 1 Open Google Play Store
- 2 Tap the profile icon in the top right
- 3 Tap Settings
- 4 Scroll down to the Family section and tap Parental controls
- 5 Toggle 'Parental controls are off' to 'Parental controls are on'
- 6 Create a PIN and tap OK
- 7 Confirm your PIN and tap OK again
- 8 Tap Apps & Games
- 9 Set the age limit you wish to set
- 10 Tap Save to apply your changes

How to Stop Auto-updates

- 1 Open Google Play Store
- 2 Tap the profile icon in the top right
- 3 Tap Settings
- 4 Tap Auto-Update Apps
- 5 Select 'Don't auto-update apps' and then tap Done

Restricting Apps Through Google Family Link

- 1 Open Google Play Family Link for parents
- 2 Tap the three horizontal lines in the top left
- 3 Select your child's account
- 4 Tap Manage
- 5 Tap Controls on Google Play
- 6 Tap Apps & Games
- 7 Select the age limit you wish to set
